RE: Ana Maria Pando

Gentlemen:

Enclosed please find the termination report. We have found that contributions reported for the period ended August 31, may have been \$79,900 and not \$80,075, as was previously determined. Accordingly, the termination report lists contributions to date of \$152,355 and not \$152,530, a difference of \$175. We are still researching to determine where the difference lies. An amended report for August 31, 2006 is forthcoming.

Very truly yours,

Lima and Rios, P.A.
