To Whom It May Concern at Miami-Dade County Elections Dept :

When entering contributions online I entered the contributor type as business on our report Q2-06 contributions line 33 on page 5. I have since then tried to change the contributor type from business to individual with no success.

Please note this in your records. If you need any further assistance please feel free to contact me at 305-772-6588

Sincerely,

Daniel Hernandez
