RE: Trisha Roy withdrawal from County Commissioner race

Hello Kim,

Please, accept this letter as my formal withdrawal from the 2020 County Commissioner District 3 race.

In light of the coronavirus crisis, I lost precious time soliciting signatures, and the electronic signature facilitation did not work well for me. I also felt unable to solicit donations due to the obvious economic hardships families are facing because of job loss and insecurity.

I began this path because I want to do more to serve my county. I serve and volunteer on our code enforcement and economic development boards, and I will continue to serve the residents of Alachua County to the best of my ability.

Thank you for your support throughout. I am grateful for the experience.

Kind regards,

A handwritten signature in cursive script, appearing to read "Trisha Roy".
