To Whom It may concern:
Reference Chelsea Hitt

Due to the money being off in the campaign account, I have no idea why it is off? When we closed the account out after the campaign there was \$85.94 left and we transferred this into Carl Sauls's personal account. Being with more money in the account I can only think it may have been something we didn't put in. Thank you for letting me know about this balance.

Carl Sauls
