Re: Withdrawal of Candidacy, Clay County Commissioner District 3

Dear Lisa,

Please accept this letter as my notice to withdrawal my candidacy for Clay County Commissioner, District 3. While I was looking forward to serving the citizens of Clay County, life had other plans for me.

I want to thank you and your team for your service to Clay County and of course for your help and answering all my technical questions while I was setting up my campaign. It is people like you and the rest of the Elections office that make this county so great.

Please let me know what further actions need be taken to effectuate my withdrawal.

All my best,

Alexandria Hill
