RE: Withdrawal of Candidacy, Superintendent of Schools

Dear Lisa,

Please accept this letter as my notice to withdraw my candidacy for Superintendent of Clay County Schools. Although I was very excited about this opportunity to be an advocate for change for the employees, parents, students, and community of the Clay County School District, God obviously had other plans in mind.

I would like to thank you and your staff for always being available (and patient) to answer the myriad of questions that I had during this campaign process--you all are phenomenal. And, who knows, God willing, you may see my name on filing papers in four years.

I understand the process for dissolution of campaign funds and will do so as soon as possible.

Thank you and God bless,
