

Recvd 2020JUL24PM02:40

Mr. Chambless,

This letter shall serve to explain the circumstances regarding an anonymous campaign contribution that I received via USPS mail on July 13, 2020. A letter and cash were mailed to me at my Clay County District Schools address, with no return address included. The postmark is from Jacksonville, FL. The enclosed letter states "Please record as: "Candidate to themselves" as a Loan....." A smaller envelope inside the mailing envelope is also addressed to me and my work address and contains three \$100. bills. As required, my campaign treasurer has reported this as an anonymous contribution on the treasurer's report for the corresponding cover period. I understand the funds may not be spent and at the end of the campaign, I must donate the amount to an appropriate entity under Section 106.141, Florida Statutes.

Thank you for your assistance with regard to this matter.

Sincerely,

David Broskie
Candidate for Superintendent of Schools
Clay County
