May 27, 2022

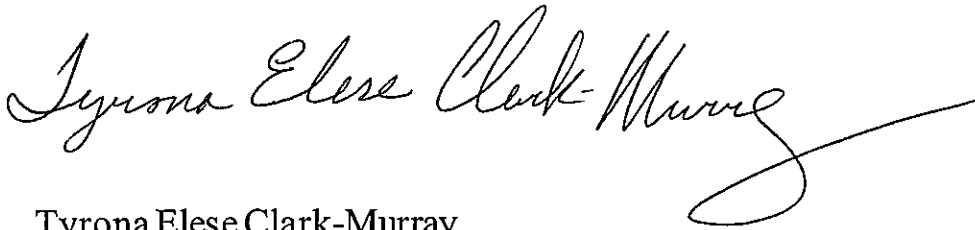

Ms. Lana Self,

Candidate Administrator, it is with great enthusiasm that I request removal from the 2023 Election and entry to the 2022 Special Election.

I understand that:

- All campaign funds and petitions will be moved to the special election
- Of the petitions previously submitted, only petitions verified in District 9 will be accepted.
- I am required to obtain 100 valid petitions from City Council District 9

Thank you for your time and attention to this matter,

Tyrona Elise Clark-Murray

2022 City Council District 9 Candidate
