Dear Supervisor of Elections Mike Hogan,

I am in receipt of your email referencing the special election for Tax Collector. I understand that I am required to notify you in writing of my intent to run for Tax Collector of Duval in the special election scheduled in 2018. The letter will serve to officially notify you of my desire to close my 2019 election and transfer it to the 2018 special election. I recognize that there are other certain documents required to be submitted to you concerning closing the 2019 account and opening the 2018 campaign.

Thank you for your assistance on this matter. If you need further confirmation please advise at my email account and by phone at (904) 534-0075.

Sincerely,

Lake Ray III,
Candidate for Duval County Tax Collector.
