RE: Change in Designation of Office

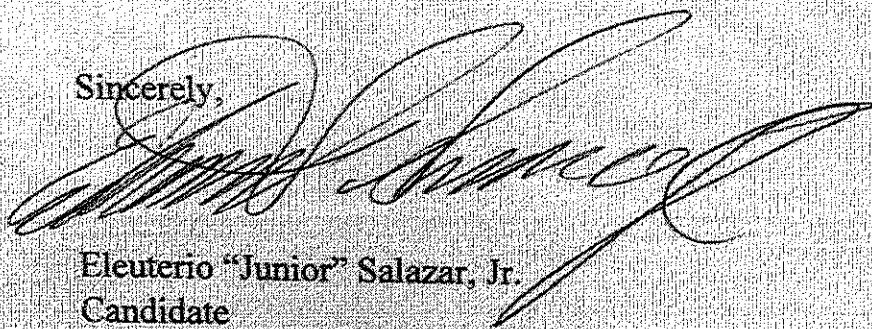

Dear Mr. Latimer,

By this letter, I am informing your office that I am changing the office for which I am a candidate. Currently, I am a candidate for nomination and election to the office of Hillsborough County Soil and Water Conservation District 1, in the 2022 general election cycle. I now intend to seek nomination and election to the Florida State House of Representatives, District 70, in the 2022 election cycle. Shortly, I will be filing a DS-DE 9 reflecting this change in designation of office sought with the Division of Elections.

Consistent with the requirements of the law, I will notify all contributors of this change and offer to return any contributions received per rata. Each notice will include the required DS-DE 86 form.

Please let me know if you have any questions and/or concerns regarding this change in designation of office.

Sincerely,

Eleuterio "Junior" Salazar, Jr.
Candidate
