Dear Tammy,

In journaling and preparing my reports for the next Financial Disclosure Reporting period (7/30 – 8/5), I realized that I accepted too much money from a donor. I accepted a check in the amount of one thousand (\$1,000) dollars from 78 Political Committee on June 20, 2016. I accepted another check in the amount of five hundred (\$500) dollars from 78 Political Committee on July 30, 2016. Immediately upon discovering the mistake, I issued a refund to 78 Political Committee. The confusion came in the fact that the headers on the checks were different.

Thank you.

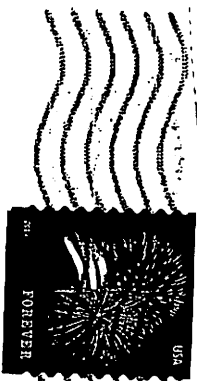

Sincerely,

Chris Patricca
