Greetings Cheryl,

I hope this message finds you well. I would like to share with you the joy that my family is expanding! And with the expanding came a need to seek a residence suitable to accommodate us. After searching throughout Lee County, FL we were led to make District 5 our home.

As a candidate for Lee County School Board, I would like to ensure that I uphold and maintain honesty with you - knowing one of the requirements is I must reside within the district in which I am running for. With this being a requirement, I am announcing Moses Jackson for Lee County School Board is taking the drive to District 5! I am also submitting the required documents for withdrawing as a candidate for Lee County School Board Member, District 4 in order to enroll as a candidate for Lee County School Board Member, District 5. I am excited to still be able to carry the momentum and advocacy for the students, families, and paras/teachers of Lee County but from the perspective of District 5!

I appreciate all of your assistance prior to the change from District 4 to District 5. Know that it truly means a lot to me however, I would feel it a miss to not make you aware of the change in residence aside from wanting to ensure I remain compliant. Notices have been prepared to go out to all prior contributors so they will be made aware of this change; along with form DS-D9 86.

Please feel free to contact me should you have any questions or suggestions.

Best regards,

Moses Jackson
