 BERNIE FELICIANO

Dear Bernie:

This letter confirms our recent discussion in which I requested a change in the designation of my campaign depository. Due to a change in policy by Regions Bank, I have changed my campaign designation to:

Bank of America  
 19017 South Tamiami Trail  
 Fort Myers, FL 33908

The procedure at Bank of America requires that you certify this change. Please note your approval and return.

Thanks, again, for your assistance.
