Subject: Resignation from Lee County Sheriff's Office

Dear Sheriff Scott,

It is with a heavy heart that I write this letter. As a member of the LCSO family since May of 1995, I consider myself blessed to be a part of such an agency. Unfortunately, sometimes we are forced to close a chapter in our life only to open and enter into another, I find myself at this crossroad.

Though I am forced under Florida State Statute 99 the "Resign to Run Law", to resign from my current position so that I may be an official candidate for the election of Lee County Sheriff. I am officially and respectfully requesting that per LCSO policies and procedures, every decision is based upon the Sheriff's discretion. I am requesting that in the spirit of family camaraderie and fairness that you would compensate me dollar for dollar for all my accrued time; due to being forced to resign from my family.

Therefore, I am submitting my letter of intention to resign from the Lee County Sheriff's Office effectively June 1, 2012.

Respectfully Submitted,

Timmy Fisher
