Re : Final Certification-Candidate Petition Signatures

Congratulations! Gathering candidate petition signatures is not an easy task. Your efforts in the signature-gathering process have brought positive results to your campaign.

Enclosed you will find a FINAL CERTIFICATION for the candidate petition signatures you have submitted to this office. A tally of all verified, valid petition signatures submitted, for the office you seek, indicate that you have obtained the required amount of signatures.

The signatures will take the place of the filing fee for the office you seek. You are still required to qualify for office. Qualifying week is NOON June 16, 2008 through NOON June 20, 2008. Candidates may begin prequalifying on June 2, 2008. Please make sure that all of your candidate-qualifying forms are filed by NOON June 20, 2008.

Please note that any candidate who qualifies by the petition method will be responsible for the payment of an election assessment, payable at the end of the candidate's campaign. Said election assessment is to be paid from campaign funds, and is equal to one percent (1%) of the annual salary for the office sought.

Again, congratulations. Gathering petition signatures is hard work. If you have any questions concerning your candidate or petition file, please call me at 239-533-6304.
