Let's Make Lee County Better!

RE: Campaign Treasurer's Report, TR-3.

Ms. Herrington:

Please find enclosed herewith the TR-3 Campaign Treasurer's Report for Candidate Shawn Seliger, which is being submitted pursuant to standing requirements. This letter is being written as a cover to the aforementioned report, as the report shows an imbalance between campaign contributions and campaign expenditures.

Over the past several weeks, I have personally dedicated numerous hours in analyzing, working and reworking reconciliation between the campaign reports and campaign checking account. Although, with the final entry payment of \$78.93 to Mr. Seliger as a partial loan repayment which completely depletes any and all funds in the campaign checking account, a difference of \$476.54 between campaign contributions and campaign expenses remains on the TR-3 Report. The efforts made in attempting to reconcile the reporting difference are evidenced by the numerous amendments which have been filed as errors were found and reported accordingly. I believe it is also noteworthy that the final report does not show what might be construed as overspending, resulting in a negative balance between contributions and expenses, and the difference represents less than .3% of all monetary contributions reported.

Please feel free to contact me with any questions you may have.

Very truly yours,

Darryll R. Bauchert, Sr., MBA, CFP®, CFA™
