All candidate-qualifying documents and campaign finance reports will be posted at the Lee County Supervisor of Elections website [www.leeelections.com](http://www.leeelections.com) or use the following link: <http://leeelections.com/content.php?l=74>.

Under Florida Law, email addresses are public records; if you do not want your personal email address released to the public, you should create a "campaign-specific" email address. A campaign-specific email address will allow the Lee County Supervisor of Elections to provide a candidate and his/her campaign treasurer with expedited electronic communications and notices in addition to communications and notifications sent via standard USPS mail.

A campaign-specific email address may also provide voters the opportunity to learn more about you and your campaign platform by serving as an alternative method of contact.
