Dear Ms. Feliciano,

The following information is with regard to Q1 2010 financial report for Robert J. Branning, Lee County Judge, group 3, candidate 77:

Contribution sequence number 17 was a check contribution that was initially considered to be a certified check. Upon further investigation with the issuing bank, this check was deemed to be a cashier's check. Given the \$50.00 restriction placed upon this type of contribution, the full amount of the donation was refunded back to the contributor by check from the campaign account. This refund can be seen as expense report sequence number 3.

The contribution was reissued by the original donor in an acceptable check format and can be viewed as contribution sequence number 37.

If you have any questions, or need any clarification in this matter, please feel free to contact me.

Respectfully,

Brad George
Treasurer
