F1 Amended and Q2 Report Combination

Candidate mistakenly filed standard QUARTERLY Q2 report covering 04-01-10 through 06-30-10. During a General Election cycle (2010) the Q2 report is eliminated and becomes the F1 report which covers an expanded reporting period of 04-01-10 through 07-16-10.

The Q2 report was amended to become the F1 report which covers the correct reporting period of 04-01-10 through 07-16-10.
