MANATEE COUNTY  
SUPERVISOR OF ELECTIONS

January 12, 2022

Mr. Bennett:

In stoicism we have a saying, "the obstacle is the way." On December 14, 2021 the School Board adopted a resolution outlining new district lines that place my residence address outside of District 2. Please accept this letter as my withdrawal from the Manatee County School Board District 2 race. Now, I am going to run for City of Bradenton City Council Ward 2. Hopefully, some of my sweat equity transfers.

Best regards,
