Sec. 12-14.2. County and Municipal Elected Officer and Candidate Reporting Requirements for Political Committee and Electioneering Communication Organization Solicitations.

- (1) Effective January 1, 2017, each candidate for County or municipal office in Miami-Dade County shall insure that their designated campaign treasurer shall, within five (5) days of commencing solicitation activities, either directly or indirectly, on behalf of a political committee or electioneering communications organization, file a one-time report with the Supervisor of Elections or other applicable filing officer indicating that the candidate is undertaking solicitation activities on behalf of such political committee or electioneering communications organization. The report shall identify the name of the political committee or electioneering communications organization on behalf of whom such funds are being solicited and a description of the relationship between the candidate and the political committee or electioneering communications organization. The report shall be filed on a form created by the Supervisor of Elections for such purpose.
- (2) Effective January 1, 2017, upon commencement of any solicitation activities undertaken on behalf of any political committee or electioneering communications organization, each County or municipal elected officer in Miami-Dade County who is not also a candidate for another County or municipal office shall, within five (5) days of commencing solicitation activities, either directly or indirectly, on behalf of a political committee or electioneering communications organization, file a one-time report with the Supervisor of Elections or other applicable filing officer indicating that the officer is undertaking solicitation activities on behalf of such political committee or electioneering communications organization. The report shall identify the name of the political committee or electioneering communications organization on behalf of whom such funds are being solicited and a description of the relationship between the officer and the political committee or electioneering communications organization. The report shall be filed on a form created by the Supervisor of Elections for such purpose.

Such fine shall not be an allowable campaign expense and shall be paid only from the personal funds of the candidate or officer. Any candidate or officer may appeal or dispute the fine to the Miami-Dade County Commission on Ethics and Public Trust based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request, and shall be entitled to, a hearing before the Commission on Ethics and Public Trust, which shall have the authority to waive the fine in whole or in part. Any such appeal or dispute shall be made within twenty (20) days after receipt of notice from the Supervisor of Elections that payment is due or such appeal or dispute shall be waived.
