RE: Jennifer Arguello School Board Campaign

I, Julius Melendez, resign effective immediately from being the campaign Treasurer for Jennifer Arguello for School Board in District 1. No reports have been filed, pin numbers assigned, nor campaign monies have been handled by me directly. I helped to establish the campaign and her husband Octavio Arguello will be handling her Treasurer duties moving forward. Please assign them a respective pin to be able to access the online reporting system.

Thank you,
