I hope all of you are well. We will address audience comments during audience comment section of the meeting. Being a telephonic meeting, it will be very difficult and somewhat chaotic for me to open audience comments up after and or during every topic on the agenda. The board has to be able to get through the meeting. I will add an audience comment section at the end of the meeting as well. So in short, we will have audience comments at the beginning and the end but NOT during the meeting.

I hope that helps residents be able to add their input. I will announce this at the beginning of the meeting as well.
