RE: Letter of Resignation

Dear Chairperson Morano:

It is with great regret that I write to you today. Because of recent events within my personal life, I must resign as **Treasurer** and **Precinct Coordinator, Precinct 57** of Pasco County Democratic Executive Committee as of July 8, 2006.

I am disheartened, as I've just begun to work within this new administration. Many committed and dedicated Democrats of DEC; welcome your leadership in this pivotal time of the Democratic Party in Pasco County.

Given my current situation, my health, work, personal responsibilities, and the West Pasco Democratic Club, I cannot see how, at this juncture, I can continue at the level necessary for the good of DEC.

As you know I will be out-of-town for the birth of our grandchild. My husband and I will depart June 19, 2006. I will return to Florida August 7, 2006. I realize this is awkward. However, I want to ensure that you and the Party have enough time to conduct elections for my replacement. I will continue to make sure our upcoming reports (Q-2/July) are filed appropriately along with your help. As long as I can receive the information of all expenses and contributors including business names/contributor name, business address/type of business, contributor's address and all appropriate amounts, I can data enter the information while away. I would then print sign and FedEx to your attention for final signature. It would require you or your designee to make sure the document is delivered to the Supervisor of Elections Office in a timely fashion.. Should you and the Body decide to conduct an election, then of course the Treasurer elect could facilitate this process. I will be sure to make all appropriate documents, relative to the position of Treasurer of the DEC available to you and/or the Treasurer elect.

In terms of West Pasco Democratic Club, Louise Hinkley is the Vice President. She will facilitate things with WPDC along with my help via e-mail and telephone. It is my hope to be a part of meetings via speaker phone where appropriate. I plan to help as much as I can while away. When I return in August I will follow-up with you and the WPDC Board as to plans for the remainder of the year. My term ends in December, 2006. I want to prepare West Pasco for its' election process during our August meeting.

May 9, 2006

I am terribly sorry! Please understand, I must be in a position to take care of this situation before I can be of any good to anyone else.

Should you have any questions I am available. Please contact me at 727-842-6033 or via cell phone at 727-255-9174.

Thank you and the members of Pasco County Democratic Executive Committee for your support and understanding. I wish you and this great Party well and will do whatever I can to support and uphold the principles of the Democratic Party.

Regretfully,

Alice M. Delgado, M.Ed
