I regretfully inform you that I will be resigning as the Treasurer for the Michele Chamberlin for Pasco School Board, District 3 Campaign effective today 9/11/06. I will be resuming my full time position with my current employer and will not be able to dedicate the attention and time to this position that it deserves. I would like to go on record stating that I fully support Michele Chamberlin for this position and that it has been a pleasure to assist and serve her during the first segment of this campaign.

Thank you for allowing me to participate thus far in the election process.

Sincerely,

Joanne L. Cicora
