May 31, 2022

Dear Tappie Villane,

I am writing to inform you that I will be withdrawing from the Santa Rosa County School Board election for District 5. Due to changes in my official duties with my employer I will not have nearly the adequate time to represent my constituents well. As is the case I am formally withdrawing my candidacy and wish the other candidates the best of luck. I hope this message finds you well.

Warm Regards,

Joshua Hellyer
