Ms. McGowin:

Please accept this letter as notification of my intention to terminate my campaign effective today, Monday, June 13<sup>th</sup>. I will no longer be seeking financial support and will have my termination paperwork into you shortly.

At this time I am still waiting for one outstanding check to clear. Once that is done, I will prepare the final campaign report as required by Florida Statute.

Again, I thank you sincerely for your guidance, direction and assistance with this election cycle.
