

Tappie Villane,

JUN 11 2024

My name is Zachary Reinhart, and I have been a candidate for the Santa Rosa County Commissioner for District 1. However, due to the recent birth of our child and my desire to prioritize my family, as well as the limited momentum of my campaign, I am formally withdrawing from the race.

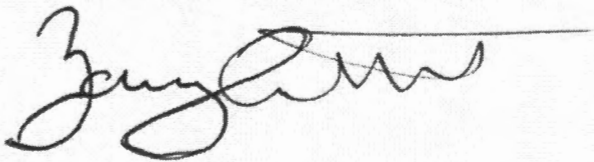

There are many outstanding candidates in this race, and I wish them all the best. Perhaps in four years, I will consider running again.

Thank you and your team for providing me with the opportunity to participate and contribute to our community.

Sincerely,

Zachary Reinhart
