Tami McGowin,

Please use this letter as official notification that I have decided to suspend my campaign and withdraw from the 2024 Santa Rosa County Commissioner, District 3 race. I appreciate all the education and support from you and the ladies in the Elections Office. I will submit my final financial disclosure report on timeline. If you need additional information from me, please call 913-708-1123 or email at bradbury.greg@gmail.com.
