Dear Supervisor of Elections:

Please accept this as official notice of my resignation of candidacy for the County Commissioner Office for District 1. As you are aware, over the past few months, we have been faced with extenuating circumstances of the COVID -19 Epidemic, which has made it extremely difficult to campaign or raise funds.

For my personal safety, and the safety of all that are involved in assisting with my campaign, I feel that resigning is the best option for me and my team at this time.

Sincerely,

Gwendolyn D McLeod
