My apologies for not getting in contact sooner.

I want to formally withdraw for running for City Commissioner district 1 , seat 3.  
I would like to thank you for all your assistance leading up to this point and the city of Fort Pierce staff for all the helpful support leading up to this decision. I now know more than I did before leading up to this point. We know not for the future holds for future elections; I may decide to run again in the future.

Much success to the other candidates. Much success also the elected officials leading our city.

Kind regards;

Shenna Clyburn
