There was a Candidate meet and greet held at the Caddy Shack in the WGV on May 19, 2022.  
A donation of \$10.00 cash was given with no identity. We were unable to figure out who gave the donation.  
We even looked at all the videos and pictures that were taken that evening and was unable to identify the individual.

If there are no issues I will donation the \$10.00 cash to a charity at the end of the election.

Sincerely,  
Chuck Labanowski
