Supervisor of Elections County of Volusia

Dear Ms. Lewis:

This correspondence is the official notification informing your office that I am withdrawing from the Volusia County Council At-Large race effective immediately. It is my intent to redirect my campaign and seek the Florida State Representative District 26 seat. Your office informed me of the need to communicate with my supporters, and I am in the process of notifying all of my financial supporters who have given donations to my County Council At-Large campaign and what their options are.

Thank you and your staff for all of your excellent assistance during my campaign.
