Dear Mrs. Lewis,

This correspondence is the official notification informing your office that I am withdrawing from the City of Holly Hill Mayoral race effective immediately. It is my intent to redirect my campaign and seek the City of Holly Hill's City Commissioner, District 4 seat.

Your office informed me of the need to communicate with my supporters and I am in the process of notifying all of my financial supporters who have given donations to my Mayoral campaign race and what their options are.

Sincerely,

A handwritten signature in black ink, appearing to read "Roy Johnson". The signature is fluid and cursive, with the first name "Roy" being particularly prominent.

Roy Johnson
