RE: City Commissioner of Zone 2 Campaign

To whom it concerns;

It is with sincere regret that I write to inform you, and the Board of Elections, of my decision, effective immediately, to withdraw my candidacy for NSB City Commissioner of Zone 2 this November.

The current political climate in New Smyrna is deeply divided on the topics of responsible growth, zoning, and restrictions and the results of the primary election reflected that estrangement. My concern is that those elected this November will pose a constant interference to the issues and resolutions I think would benefit our community. Therefore, I can see no path for a successful political campaign at this time.

I will continue to serve our city and its citizens in the private sector until such time that another opportunity arises for me to seek a political office and put New Smyrna 1st.

Regretfully,
