Dear City of Port Orange & to whom it may concern:

I regret to inform you of my resignation from the Port Orange Mayor 2020 election. This has been a difficult decision. This past December, I attained my Associate of Arts degree. It is my plan to focus my time on my undergraduate studies. I was so inspired by my campaign for City Council last year, that I have decided to major in Public Administration. It is my goal to acquire knowledge so, when the time comes, I will be the best leader possible.

I want to thank you for the opportunity and most of all, the City of Port Orange employees, for their continuous dedication and hard work.

Sincerely,
