Lisa Lewis
Supervisor of Elections

Dear Lisa Lewis:

It is with great regret that I must end my campaign for district 2 Volusia County Council. It has been a pleasure working with you and your lovely staff during this time of uncertainty.

As I reflect on these uncertain times in Volusia County, through prayer I am formally endorsing Danny Fuqua as Volusia County Council District 2, and Ida Wright for Volusia County School Board District 2. Both are outstanding individuals with an ear and mouth piece for my community.

Again it has been a pleasure working with Lisa Lewis and her terrific staff.

Sincerely,

Rev Richard W Williams
