Dear Annette,

Please accept this email as my official notice of withdrawal of my candidacy for the Debary City Counsel. While I entered the race in good faith with the intention of serving my community, due to the unexpectedness of Covid, I have been assigned additional tasks by my employer which are monopolizing my time to the point of making serving impractical at this point.

I thank you personally for your patience with me during this process and for the great job that you do for the city of Debary. I hope that our paths meet again in the future some time.

Kind regards,

Daniel Fisher
